

IDENTITAG LTD
Quality and Environmental Policy
08-April-24

Quality and Environmental Policy:

Our company is committed to providing high-quality products and services while minimizing our impact on the environment. We recognize that our success depends on meeting and exceeding the expectations of our customers, stakeholders, and employees, as well as our obligations to protect the environment.

Our Quality and Environmental Policy is based on the following principles:

- **Quality:** We are committed to providing products and services that meet or exceed our customers' expectations. We will continuously monitor and improve our processes to ensure that we deliver high-quality products and services that are safe, reliable, and meet all regulatory requirements.
- **Environmental Stewardship:** We will work to minimize our environmental impact by reducing waste, conserving energy and natural resources, and preventing pollution. We will comply with all applicable environmental regulations and strive to exceed them where possible.
- **Continual Improvement:** We will continuously improve our quality and environmental performance by setting and reviewing objectives and targets. We will use data and feedback to identify opportunities for improvement and implement corrective actions as necessary.
- **Compliance:** We will comply with all relevant laws, regulations, and standards related to quality and the environment. We will ensure that all employees, suppliers, and contractors understand their responsibilities and obligations.
- **Communication:** We will communicate our Quality and Environmental Policy and objectives to all employees, stakeholders, and customers. We will encourage feedback and engage in open dialogue to ensure that we are meeting our commitments and continuously improving our performance.

We are committed to implementing and maintaining a Quality and Environmental Management System that supports our policy and objectives. We will regularly review our performance and ensure that our policy remains relevant and effective.
